Dear Potential Sponsors,

On behalf of the Real Estate Association of Latinx Professionals (REĀL), we are honored to invite your organization to support our upcoming **Mujeres de REĀL: Your Network, Your Future** event on October 8th from 6:00 pm to 9:00pm at Saint Restaurant Bar & Speakeasy, New York.

Mujeres de REĀL brings together commercial real estate businesswomen through leadership, education, networking support, and national recognition in an intimate setting. Designed to elevate Latina businesswomen across every career stage, our platform delivers value across four core pillars:

- **Networking Support:** Curated opportunities to connect with peers, mentors, and industry leaders in a supportive, close-knit environment.
- **Business Growth:** Access to insights, tools, and opportunities that drive advancement, joint ventures, and career mobility.
- **Education & Learning:** Specialized content tailored to the unique experiences of women in CRE, covering emerging market trends and industry best practices.
- **Community of Support:** A trusted circle of professionals who share lived experiences, offer direct encouragement, and celebrate collective success.

While Latinx professionals continue to shape the future of commercial real estate, Latinas remain significantly underrepresented in executive and investment decision-making roles. Mujeres de REĀL actively bridges this gap by converting intention into access, capital, and career trajectory.

Sponsoring this initiative offers your organization key opportunities to:

- **Engage Top Talent:** Connect directly with a curated network of highly motivated Latina executives, entrepreneurs, and rising stars.
- **Elevate Brand Visibility:** Showcase your organization's commitment to gender equity and representation within an intimate, high-value forum.
- **Invest in Mobility:** Directly support specialized programming, executive mentorship, and business development for women in CRE.

We have outlined several sponsorship levels designed to offer meaningful alignment and visibility for your organization. Your partnership will directly empower Mujeres de REĀL's mission to champion, advance, and recognize Latina leaders across the CRE ecosystem.

We look forward to collaborating with you.

Sincerely

Melissa Bindra, Lillian Plata & Lillian Acosta
